education@asn.co.tz

www.education.asn.co.tz

An official product of Afrika Sisi Nyumbani Ltd.

Program Objectives

- De-program colonial perceptions and reintroduce authentic African values.
- Equip adults with realistic knowledge of rural African life and investment.
- Connect participants with reputable local consultants for land acquisition, business entry, or retirement planning.
- Provide on-the-ground exposure to farming, local living, and village economics.
- Introduce Africa's emerging industries in carbon finance, eco-tourism, education, oil & gas, and more.

DAY-BY-DAY ITINERARY

Day 1: Arrival and Orientation

- Welcome at Julius Nyerere International Airport, Dar es Salaam.
- Transport to training camp near Bagamoyo/Saadani corridor.
- Introduction to Afrika Sisi Nyumbani & participant intentions.
- Evening: Story Circle – “Why Africa, Why Now?”

Day 2: Colonial Deprogramming Session

- **Workshop:** *Understanding Colonial Influence on Mindset & Economy.*
- Interactive talk with a Tanzanian historian or cultural activist.
- Local lunch + Evening music session with traditional drummers.

Day 3: Swahili & Cultural Integration

- **Basic Swahili learning:** Greetings, market negotiation, customs.
- Session on cultural norms, ethics, and the role of elders in African societies.
- Visit to a traditional healer for cultural exchange (optional).

Day 4–5: Rural Village Immersion

- Live with a rural host family for 2 days (minimalist, real-life conditions).
- **Daily routines:** Cooking on firewood, fetching water, village meeting.
- Visit to local co-ops and community savings groups.

Day 6: Traditional Farming & Land Ownership Talk

- **Hands-on:** Planting, irrigation, livestock feeding.
- **Workshop:** *How land tenure works in Tanzania* + legal processes.
- Field tour to available land plots near Saadani for tourism or agricultural use.

Day 7: Transport & Logistics in Rural Settings

- Travel to Mikumi National Park.
- Exposure to public & private transport options.
- Overview of import/export logistics, road infrastructure, and challenges.

Day 8–9: Investment Exploration

- Forums with local business consultants:
 - **Real estate opportunities**
 - **Tourism ventures**
 - **Education and private school investments**
 - **Oil & Gas insights**
- Tour of eco-projects & youth empowerment hubs.
- **Panel discussion:** *How to ethically start a business in Africa.*

Day 10: Sustainable Development & Carbon Finance

- Site visit to tree planting or bamboo plantation sites.
- **Workshop:** Carbon credits, green investment, and rural employment.

- Networking session with environmental NGOs & consultants.

Day 11: Building & Housing Workshop

- Basic introduction to local construction techniques.
- Meet artisans, builders, and real estate agents.
- Visit sample rural homes and plots.

Day 12: Education & Community Impact

- Explore the opportunity to invest in rural schools or skill centers.
- Visit existing projects and meet with school heads and youth leaders.
- Optional mentorship opportunities for retirees with teaching interest.

Day 13: Final Project & Business Clinic

- Each participant presents a personal relocation/investment plan.
- One-on-one clinic with a consultant based on participant's interest.
- Final group dinner and celebration with the local community.

Day 14: Departure

- Reflective session: "What I'm Taking With Me."
- Transport to airport or personalized post-program stay (optional extension available).

Package Includes

- All internal transport, including rural transfers.
- Meals (local diet, including vegetarian options).
- Accommodation (shared/rural minimal conditions + hotel at base).
- Training materials + Swahili learning guide.
- Site visits, consultant sessions, and business clinics.

Important Notes

- **This is not a luxury tour** – the experience is grounded in rural minimalism and cultural immersion.
- Participants must be open to basic living conditions, shared rooms, and flexibility.
- Focus is on ethical, sustainable relocation, not extractive investment.
- Land acquisition is optional, guided by local legal consultants and village authorities.
- Participants can request in-depth focus on sectors like oil & gas, carbon markets, education, etc.

Ideal Participants

- Adults (45+) seeking retirement in Africa.
- Diaspora members wanting reconnection with African identity.
- Investors looking for ethical, locally based partnerships.

- Families/individuals interested in building from the grassroots.
