

Africa Re-Connect Program — Emergency Procedures

Nyumbani Nature Campsites – Official Camping Product of Afrika Sisi Nyumbani Ltd

Your safety is our priority. These procedures ensure a quick, coordinated response to any emergency — medical, weather-related, or transport issues — during the Africa Re-Connect Program.

1. Medical Emergencies

Step 1: Assess the Situation

- Check if the person is conscious and breathing.
- Do not move them unless there is immediate danger.

Step 2: Alert First Aid Team

- Notify the nearest staff member or camp coordinator immediately.
- First aid responders will provide initial care.

Step 3: Contact Medical Services

- Call the designated medical facility or ambulance.
- Provide the patient's name, location, and nature of the emergency.

Step 4: Inform Program Management

- Management will inform next of kin if necessary.

Step 5: Document the Incident

- Record time, actions taken, and people involved for follow-up.

2. Severe Weather Emergencies

Step 1: Monitor Conditions

- Staff will monitor weather alerts daily from trusted local sources.

Step 2: Activate Safety Protocols

- For storms, heavy rains, or strong winds:
 - Move participants to designated safe shelters.
 - Suspend outdoor activities until conditions improve.

Step 3: Communicate with Participants

- Announce updates clearly in person and via group channels (e.g., WhatsApp).

Step 4: Wait for All-Clear

- Resume activities only when approved by the camp coordinator.

3. Transport Issues

Step 1: Vehicle Breakdown or Accident

- Stop in a safe location.
- Ensure all passengers are accounted for and safe.

Step 2: Notify Transport Coordinator

- Provide vehicle location and nature of the problem.

Step 3: Arrange Backup Transport

- A replacement vehicle will be dispatched as soon as possible.

Step 4: Medical Needs First

- If injuries occur, follow medical emergency procedures immediately.

4. General Emergency Communication Plan

- Emergency Contact List is available in all staff kits and participant welcome packs.
- Emergency meeting point at camp will be marked and communicated during orientation.
- Program hotline: +255 760 442 199 (24/7 during program dates).

Our Commitment:

These steps are designed to keep every participant safe, informed, and cared for — so you can focus on enjoying your Africa Re-Connect experience with peace of mind.
